

Research shows when families are included in their children's education, their children do better in school. Part of what makes Lawton a successful school is the tremendous amount of family involvement at our school – over 15,000 volunteer hours were recorded at Lawton during the 2008-2009 School Year !

There are many ways to volunteer at Lawton: PTA-sponsored activities, assisting in your child's classroom, or helping a child learn. Everyone has a strength or skill they can contribute. Please take a moment to review the opportunities available and indicate your areas of interest.

Volunteer opportunities are also listed in the newsletter or can be accessed via our website at [www.lawtonschool.org](http://www.lawtonschool.org).
