Thank you for joining us tonight as we celebrate and support Lawton Elementary School – a place where our children love to learn and play, where parents are eager to help and where our incredible staff encourages our children to explore the world, learn and grow.

Proceeds from tonight's event will be used to provide the essentials for our students and teachers and will fund many programs and opportunities, some of which are listed on the next page. As you know, PTA funding of these programs helps make Lawton the school we love and the learning environment to which we entrust our future.

**We hope you agree
that when you place
a bet on Lawton
everyone is a winner!**

As Elvis says,

Thank You, Thank You Very Much!

YOUR DONATION funds:

Music – The PTA continues to provide funding and support to our new music program including curriculum and instrument purchase and maintenance. 5th graders have an annual Opera workshop with the Seattle Opera.

Visual Arts – Visiting artists provide workshops in mixed media, clay, ceramics and watercolor, augmenting the visual arts curriculum already provided by the creative Lawton staff.

Literacy – Each year, visiting authors work with our students to build on our Young Authors writing program.

World Cultures – Now boarding for AFRICA! Each year, Lawton kids study a different continent, with each class choosing a different country within that continent. The goal of the program is for students to have “traveled the world” by 5th grade. World Cultures caps off with a week-long celebration, culminating with a “World’s Fair” festival, where visitors are whisked abroad and classrooms are transformed into exotic locales. Since 2004, we’ve gone to Asia, Africa, Latin America, South America, Australia, the Pacific Island nations, Antarctica and Europe. Bon Voyage!

Outdoor Education – Each year, the PTA Enrichment Committee sponsors and coordinates visits by each classroom to the Discovery Park Outdoor Education program.

Science Week and Fair – Staff, students and families work together to have a week-long celebration of scientific study. The Seattle Science Center comes for a day of hands-on science fun, presenting at a school wide assembly and visiting every classroom.

Dance – A returning favorite, Gaylen Suave, (a.k.a. the “Dance Dude”) taught line and updated folk dancing to our students this fall, and visiting artists often offer dance as part of our World Cultures curriculum.

Field Day – An end of year activity held during the school day so all kids can celebrate a successful year. Bouncy houses, cookie decorating, relay races, a dunk tank and much more make for an excellent way to wrap up the school year and welcome summer vacation.

Tutors, ReTeach and Homework Club – The PTA pays for curriculum review and practice to make sure all our students are able to reach their full potential.

Staff Support – The PTA pays for Crossing Guard organization and supervision, playground supervision, volunteer coordination, SIT coordinator and teacher grants.

School Support – The PTA pays for PE Equipment, educational software site licenses and teacher classroom stipends.

Make A Difference

Proceeds from tonight's Make A Difference drive will benefit our PTA general fund, which enriches the school experience of our students in a myriad of ways: music, arts, literacy, science, community building events, and so much more. In years past, our annual fund drive has focused on a particular project, but this year we are shining the light on all the important details that make up a well rounded elementary school experience. In lieu of a large live auction, the Make a Difference drive holds center stage tonight as we strive to fund all the opportunities and experiences that the PTA works all year to bring to our children.

Every child at Lawton benefits from your donation. This is your main chance to make an investment in your child and your school. Remember, when you raise your paddle to Make A Difference at Lawton, you can say, "My family helped make our school great!" When you place a bet on Lawton, you are investing in the future of our children, and that makes Everyone A Winner!

GAMING – THE INS AND OUTS

Scrip* Information and Purchase

Your ticket price includes \$2,500 in starter scrip (a \$40 value). Go to the Scrip Sales Table and present the numbered tear ticket from your bid packet. That ticket will be exchanged for a yellow scrip card from Vegas Nites. Take the yellow scrip card and redeem it at any gaming table for playing chips. Use these playing chips at the blackjack, roulette and/or craps tables. Dealers are on hand to answer gaming questions.

If you run out of scrip, never fear – scrip re-buys are here! Our friendly volunteers at the Scrip Sales tables will sell you more scrip so your gaming fun can continue. Increments are available in the following amounts:

\$40 = \$2,500 scrip

\$60 = \$5,000 scrip

\$100 = \$10,000 scrip

When you are finished gaming, take your chips to the Vegas Nites Pit Boss and the chips will be exchanged for Prize Drawing Tickets. Place these tickets in any Gaming Prize Bucket you wish. You can spread them out, or put them all in one – the choice is yours. Gaming tickets can only go in Gaming Prize Buckets (not Poker buckets).

Questions? Ask at the Scrip Sales Table. We're happy to help.

****Per gaming commission regulations,
all scrip must be paid for by cash or check.***

Poker

Poker play will begin immediately following the Make A Difference fund drive. At the completion of the Make A Difference, please make your way to the Poker Room. Drink service will be available in the Poker Room.

Poker re-buys will be available during the night for \$50. Re-buys can be made at the Scrip Sales table. Waitlisted guests will be paged overhead and notified that a spot has become available. At any point in the evening you are welcome to check in with the Poker Pit Boss to see your standing on the wait list.

At the end of poker play, poker chips are similarly converted to Prize Drawing Tickets and those tickets can be placed in **either** the Poker Prize Drawing Buckets OR the Gaming Prize Buckets.

Questions? Ask Eileen Carroll or inquire at the Scrip Sales Table.

*** Per gaming commission regulations, all poker buy ins and re-buys must be paid for by cash or check.**
