

Lawton Elementary PTA 2011 - 2012

We've Gone Green ! About the Lawton eNews

Last year the PTA contributed to Lawton's green school efforts by transitioning our weekly newsletter to a paperless eNews distribution. In addition to being greener, the majority of parents surveyed said this direct email was the preferred way to receive the newsletter. The archives of each newsletter are found on the Newsletter tab of www.lawtonelementary.org

The PTA feels it is important for all families to get timely communication about school happenings. **Therefore families without internet or email access can request to receive a hard copy of the eNews** and every effort will be made to provide a hard copy of the newsletter to those families. **The duplication and distribution of hard copies is purely a volunteer effort, and is fairly time consuming, so we request that only families without internet access use this option.**

If you are new to Lawton and/or don't currently receive the eNews, please complete the form below and we'll add you to the list. Please make sure newsletter@lawtonelementary.org is added to your address book so the eNews isn't caught by your spam filter. Or you can email newsletter@lawtonelementary.org to be added to the list.

Looking for additional ways to stay informed? Bookmark www.lawtonelementary.org and check it frequently for updates. The Lawton PTA is also on Facebook. Search for Lawton Elementary School PTA on Facebook or go to www.facebook.com/LawtonElementarySchoolPTA. Click "Like" and you'll get updates in your News Feed.

Questions or ideas? Contact Kimberlee Ely at newsletter@lawtonelementary.org

- I am new to Lawton and/or I don't currently receive the eNews and I would like to subscribe. It is fine to subscribe to more than one address (i.e., both parents or home and work).

Name:	
Child's grade and teacher:	
Email address(es)	

- I do not have internet access and would like a hard copy of the eNews.
