

Emergency Container Supplies/Emails

Dear Lawton Families,

In the event of a catastrophe each Lawton student has an emergency packet in the blue container on the playground. There are also other supplies, such as water, housed there that will be needed in the event that the students/staff must stay at the school for a number of days. In order to keep the food items current we must charge each family a small fee of **\$6.00 per Lawton student** to replenish supplies. Please make checks payable to **Lawton Elementary**.

In addition, we are asking for current emails. These emails will be in your student's *Student Information File* in order that we can have all routes of contact in the event of an emergency. Since we are trying to become as paperless as possible, we would also like to give your email to the PTA contact list so that you might receive the most current information including the weekly newsletter. Your email is **not** given out to any other sources other than the PTA. If you **do not** want the PTA to have your email, please indicate in the provided space.

Please call if you have any questions.

Thank you!

Laura Thomas

Administrative Secretary
