

# Lawton Walking School Bus Leaders for 2011-2012.

Walking School bus leaders are volunteers who are responsible for kids walking safely to school and on time. They walk at a pace comfortable for everyone and remind students about safety rules. Students who join a walking bus should be ready to go no matter what the weather and be able to carry everything they have without help. Feel free to contact a walking bus leader if you are running late or need information on the route they walk. Thanks for taking a Lawton Walking Bus. Lawton is a citywide leader in the “walk to school” movement.

Some leaders will give WSB stamps for walking to school. When students accumulate 6 stamps they get a keychain to show for all their efforts.

Reminders:

- All students must wait for a leader to cross any street.
- Students should not be dropped off without an official leader present (look for the bright yellow vest with the walking bus logo on the back.)
- Always walk on the sidewalk and not in people’s yards.
- Have a great time being healthy, safe and saving our environment.
